City of Somerville
Invitation for Bids for
ADA Ramp Construction
Bid No. 09-40CD

I. General Information and Bid Submission Requirements

Bid Delivery

All bids must be delivered to City of Somerville, Purchasing Department, 93 Highland Avenue, Somerville, MA 02143.

**A Pre-Bid Conference will be held on Monday, February 9, 2009, at 10:00 AM
OSPCD, 3rd floor Conference Room, Somerville City Hall, 93 Highland Avenue, Somerville.**

Bids must be delivered by: **11:00 A.M. on Friday, February 13, 2009.**

1 copy of the bid should be submitted. Bids must be sealed and marked as follows:
"Bid for ADA Ramp Construction, Bid #09-40CD."

All bids must include a non-collusion form, tax compliance certificate, bid pricing sheet, reference form as provided in this IFB, and 5% bid surety in the amount of 5% of the proposed bid amount. The estimated contract amount is \$140,000.00. A Bid bond, Certified Check, Treasurer's Check, or Cashier's Check made payable to the City must be submitted with each bid. Said bid guarantee will become the property of the City of Somerville if the proposal is accepted and the bidder either neglects or refuses to comply with the terms of the proposal. Bid guarantee will be returned within 30 days to all unsuccessful bidders.

Bid Signature

A bid must be signed as follows: 1) if the bidder is an individual, by her/him personally; 2) if the bidder is a partnership, by the name of the partnership, followed by the signature of each general partner; and 3) if the bidder is a corporation, by the authorized officer, whose signature must be attested to by the clerk/secretary of the corporation, and with the corporate seal affixed.

Time for Bid Acceptance

The contract will be awarded within 60 days after the bid opening. The time for award may be extended for up to 45 additional days by mutual agreement between the City of Somerville and the apparent lowest responsive and responsible bidder (or, for a contract requiring payment, the apparent highest responsive and responsible bidder.)

Bonding Requirements

A Performance Bond and a Labor and Materials Bond in the amount of 100% each is required upon contract award.

Prevailing Wage Requirements

Davis Bacon Wage Rates apply to this contract. The applicable wage rates are attached.

Changes and Addenda

If any changes are made to this IFB, an addendum will be issued. Addenda will be mailed or faxed to all bidders on record as having picked up the IFB. No changes may be made to the bid documents, by the Bidders; without written authorization and/or an addendum from the Purchasing Department.

Questions about the IFB

Questions concerning this invitation for bids must be submitted in writing to: Karen Mancini, City of Somerville, Purchasing Department, 93 Highland Avenue, Somerville, MA 02143 **before 4:30 P.M. on Wednesday, February 11, 2009**. Questions may be delivered, mailed, faxed to: 617-625-1344, or e-mailed to kmancini@somervillema.gov. Written responses will be mailed or faxed to all bidders on record as having picked up the IFB.

If any Bidders or proposers contact anyone outside of Purchasing, for information about this proposal, the bid/proposal will be disqualified from the bidding process.

Modification or Withdrawal of Bids, Mistakes, and Minor Informalities

A bidder may correct, modify, or withdraw a bid by written notice received by the City of Somerville prior to the time and date set for the bid opening. Bid modifications must be submitted in a sealed envelope clearly labeled "Modification No. ___" to the address listed in part one of this section. Each modification must be numbered in sequence, and must reference the original IFB.

After the bid opening, a bidder may not change any provision of the bid in a manner prejudicial to the interests of the City or fair competition. Minor informalities will be waived or the bidder will be allowed to correct them. If a mistake and the intended bid are clearly evident on the face of the bid document, the mistake will be corrected to reflect the intended correct bid, and the bidder will be notified in writing; the bidder may not withdraw the bid. A bidder may withdraw a bid if a mistake is clearly evident on the face of the bid document, but the intended correct bid is not similarly evident.

Right to Cancel/Reject Bids

The City of Somerville may cancel this IFB, or reject in whole or in part any and all bids, if the City determines that cancellation or rejection serves the best interests of the City.

Unbalanced Bids

The City reserves the right to reject unbalanced, front loaded, and conditional bids.

Bid Prices to Remain Firm

All bid prices submitted in response to this IFB must remain firm for 60 days following the bid opening.

Unforeseen Office Closure

If, at the time of the scheduled bid opening, Purchasing Department is closed due to uncontrolled events such as fire, snow, ice, wind, or building evacuation, the bid opening will be postponed until 2:00 p.m. on the next normal business day. Bids will be accepted until that date and time.

II. Purchase Description/Scope of Services

Contract Term Length and Renewal Options

The contract will remain in effect from February 15, 2009 through February 14, 2010. With a Substantial completion date of September 1, 2009 and a project completion date of November 15, 2009.

Price Submission

All prices must be stated as requested on the Bid price submission pages.

Estimated Quantities

The City of Somerville has estimated the quantities required for each of the items on the bid price submission pages, however, these estimates are estimates only and are not guaranteed. The contract value has been estimated at \$140,000.00.

Brand Name "Or Equal"

Any references to any brand name or proprietary product in the specifications shall require the acceptance of an equal or better brand. Samples may be requested before a final decision is made. The City has the right to make the final determination as to whether an alternate brand is equal to the brand specified.

Warranty

The bidder warrants a one-year warranty on workmanship, products and materials for defects that arise other than normal wear and tear.

The bidder guarantees that upon inspection, any defective or inferior workmanship, products and materials shall be replaced without additional cost to the City. The Vendor will assume any additional cost accrued by the City due to the defective or inferior workmanship, products and materials.

Invoicing

Vendor will mail an invoice to the contracting department.

Cancellation

The City reserves the right to cancel this contract at any time on any grounds, including the vendor's failure to comply with the specifications provided herein.

Specifications/Scope of Work

General

The work to be performed under this contract consists of furnishing labor, materials, and equipment for the specified repairs at various municipally owned facilities.

Examination of Property

The contractor shall fully inform himself of the existing conditions where the work is to be done.

Protection of Property

The contractor shall take all precautions to protect the property of the City from injury and shall be held responsible for all employees or any person or persons, instrument or device directly or indirectly employed by him. Any corresponding damages shall be replaced, repaired and paid for by the contractor to the satisfaction of the City.

Quality of Workmanship

All work must be done in a thorough workmanlike manner.

Experience

The contractor shall have been established in the specified field for at least 5 years.

Response Time

The contractor must respond within forty-eight hours when issued notification by the City of Somerville.

Laws and Regulations

The contractor shall comply with all Federal, State and Local laws regulations and ordinances governing this type of work. Without limiting the generality of the forgoing, the Contractor shall comply with all applicable Mass Highway specifications, and Massachusetts Architectural Access Board (AAB) standards and regulations. In addition, because the funding source is Federal Community Development Block Grant funds, the Contractor shall comply with the Americans with Disabilities Act (ADA) and the Architectural Barriers Act of 1968, including compliance with Uniform Federal Accessibility Standards (see paragraph #12 of Appendix K).

Estimates and Surveys

The contractor shall, as required, furnish estimates and survey proposed work at no cost to the City.

SPECIFICATIONS FOR ADA RAMP CONSTRUCTION

SCOPE OF WORK

The work consists of the construction of twelve (12) wheelchair ramps to Massachusetts Architectural Access Board (AAB) standards (521 CMR 21.00, effective January 27, 2006); hiring a design professional to verify that all AAB requirements and City of Somerville standards have been fulfilled; restriping crosswalks as necessary (meeting City of Somerville standards); and resetting crosswalk signs.

The work shall take place at the following four (4) locations:

1. The intersection of Cherry Street and Elm Street, near the John F. Kennedy Elementary School;
2. The intersection of Burnham Street and Powderhouse Boulevard near Tufts University;
3. The intersection of Somerville Avenue and Prospect Street near Union Square; and
4. Broadway in Somerville at the driveway to Clarendon Hill Towers.

The work to be done under this contract consists of provision and payment for all materials, labor, tools, equipment, pumping, water, power, transportation, superintendence, verifications by the design professional, temporary construction of every nature, taxes legally collectable because of the work, and all other services and facilities of every nature whatsoever necessary to execute the work and to complete in every respect and as shown on the drawings or called for in the specifications

PROVISION FOR TRAVEL AND PROSECUTION OF THE WORK

The street and adjacent side streets shall remain open to travel throughout the period required for the completion of the improvement except as permitted by the City of Somerville Traffic Commission. Reasonable facilities shall be provided by the contractor for the convenient and safe passage of pedestrians through the project and also to and from properties abutting the improvement. Particular care shall be taken at all times to establish and maintain such methods of procedure as will not create hazards of an unusual nature.

WORK SCHEDULE

Work on this project is mainly restricted to a ten hour day, five-day week with the Prime Contractor and all Sub Contractors working on the same shift. Peak hour work restrictions may apply as specified in the Street Permit or as directed by the Engineer.

DISPOSAL OF SURPLUS MATERIAL

Surplus material resulting from the various kinds of excavation and not required for use on the project shall be disposed of by the contractor, outside the project limits, at his own responsibility and without additional compensation thereof.

PROTECTION AND RESTORATION OF PROPERTY

Special care shall be exercised by the Contractor during the prosecution of the work, to save from harm and injury any structure, public or private, water system situated above or below the surface, and adjacent properties lying within the scope of the project, not specifically designated to be removed or otherwise altered.

RETAINAGE

A Retainage of 5% shall be held by the City. This sum shall be held by the City for a period of sixty (60) days after final estimate is made and the work is accepted by the City.

NOTE: Contractor's equipment is not to be parked or stored at the Public Works Yard at any time.

All unit prices quoted herein shall be firm for the duration of the Contract, regardless of any changes in the cost of materials or labor.

SPECIAL PROVISIONS

NOTICE TO OWNERS OR UTILITIES

Written notice shall be given by the Contractor to all public service corporations or officials owning or having charge of publicly or privately owned utilities of his intention to commence operations affecting such utilities at least one week in advance of the commencement of such operations, and the contractor shall, at the same time, file a copy of such notice with the Engineer.

Bidders are hereby notified that information is available regarding the existing utility structures which may be encountered within and adjacent to the limits of the work and the corporations owning controlling same. The completeness of this list is not guaranteed by the Department.

IV. References

The Form for General Bid requires a minimum of three municipal references for whom similar construction of sidewalk handicap access has been provided. Include contact person and telephone number along with company name and address.

V. Rule for Award

One contract will be awarded to the responsible and eligible bidder offering the lowest bid price.

VI. Form for General Bid

The Form for General Bid includes the base bid on the first page and incorporates as an attachment a Bid Form for Alternates. These are DEDUCT ALTERNATES which, if adopted by the City, shall decrease the bidder's base bid. The City reserves the right to determine lowest responsible and eligible bidder on the basis of the (1) Bidder's Base Bids, or (2) Bidders Base Bids less Deduct Alternative #1, or (3) the Bidders Base Bids less the Deduct Alternatives #1 and #2.

Prices are to include delivery, the cost of fuel, the cost of labor, equipment and all other charges required for the twelve (12) Wheelchair Ramps at four (4) locations, as specified. Prices are to remain the same for the entire contract period.

SOMERVILLE LIVING WAGE ORDINANCE FORM

(Ordinance No. 1999-1*)

This form shall be included in all Invitations for Bids and Requests for Proposals which involve the furnishing of labor, time or effort (with no end product other than reports) by vendors contracting or subcontracting with the City of Somerville, where the contract price meets or exceeds the following dollar thresholds:

- a) \$50,000 for contracts commencing during the period 7-1-99 to 6-30-01
(Fiscal Years 2000 and 2001);
- b) \$30,000 for contracts commencing during the period 7-1-01 to 6-30-03
(Fiscal Years 2002 and 2003); and
- c) \$10,000 for contracts commencing during the period 7-1-03 and thereafter
(Fiscal Years 2004 and thereafter.);

The purpose of this form is to ensure that such vendors pay a "Living Wage" (defined below) to all covered employees (i.e., all employees except individuals in a city, state or federally funded youth program). In the case of bids, the City will award the contract to the lowest responsive and responsible bidder paying a Living Wage. In the case of RFP's, the City will select the most advantageous proposal from a responsive and responsible offeror paying a Living Wage. In neither case, however, shall the City be under any obligation to select a bid or proposal that exceeds the funds available for the contract.

Definition of "Living Wage" For this contract or subcontract, as of 07-01-2008 "Living Wage" shall be deemed to be an hourly wage of no less than \$10.84/hour. From time to time, the Living Wage may be upwardly adjusted and amendments, if any, to the contract or subcontract may require the payment of a higher hourly rate if a higher rate is then in effect.

If the undersigned bidder or offeror is selected, this form will be attached to the contract or subcontract and the certifications made herein shall be incorporated as part of such contract or subcontract.

CERTIFICATIONS

1. The undersigned shall pay no less than the Living Wage to all covered employees who directly expend their time on the contract or subcontract with the City of Somerville.
2. The undersigned shall post a notice, (copy enclosed), to be furnished by the contracting City Department, informing covered employees of the protections and obligations provided for in the Somerville Living Wage Ordinance, and that for assistance and information, including copies of the Ordinance, employees should contact the contracting City Department. Such notice shall be posted in each location where services are performed by covered employees, in a conspicuous place where notices to employees are customarily posted.

* Copies of the Ordinance are available upon request to the Purchasing Department.

CERTIFICATE IN GOOD STANDING

TO: Vendor

FROM: Purchasing Department

RE: **CERTIFICATE IN GOOD STANDING**

The **Awarded Vendor** must comply with our request for a **CURRENT "Certificate in Good Standing"**.

If you require information on how to obtain the "Certificate in Good Standing" or Certificate of Registration (Foreign Corporations) from the Commonwealth of Massachusetts, please call the Secretary of State's Office at (617) 727-2850 (Press #1) located at One (1) Ashburton Place, 17th Floor, Boston, MA 02133 or you may access their web site at :
www.sec.state.ma.us/corp/certificates/certificate_request.asp

If your company is incorporated outside of Massachusetts and therefore is a "foreign corporation", but is registered to do business in Massachusetts, please comply with our request for the Certificate of Registration from the Commonwealth of Massachusetts. If your company is a foreign corporation, but is not registered to do business in Massachusetts, please provide the Certificate of Good Standing from your state of incorporation.

Please note that without the above certificate (s), the City of Somerville cannot execute your contract.

IMPORTANT NOTICE

Requests for Certificates in Good Standing by mail may take a substantial amount of time. A certificate may be obtained immediately in person at the Secretary's Office at the address above. Also, at this time, the Secretary of State's Office may not have your current annual report recorded. If this is the case, and you are therefore unable to obtain the Certificate of Good Standing, please forward a copy of your annual report filing fee check with your signed contracts. Please forward your original Certificate of Good Standing to the Purchasing Department upon receipt.

Thank You,
Purchasing Director

SECTION 01000
SPECIAL CONDITIONS

1.01 DEFINITIONS

- A. General: Except as specifically defined otherwise, the following definitions supplement definitions of the Contract, General Conditions, Special Conditions, Technical Specifications and other general contract documents, and apply generally to the work.
1. Owner: City of Somerville, Massachusetts, Mayor's Office of Strategic Planning and Community Development.
 2. Project Manager: Stephen Winslow of the City of Somerville, Massachusetts. Tel. No. (617) 625-6600 or other person identified by the City.
 3. Engineer: Charles O'Brien, City Engineer tel.617-625-6600 or other person identified by the City.
 4. Indicated: Shown on drawings by notes, graphics or schedules, or written into other portions of contract documents. Terms such as "shown", "noted", "scheduled" and "specified" have same meaning as "indicated" and are used to assist the reader in locating particular information.
 5. Directed, Requested, Approved, Accepted, etc.: These terms imply "by the City Engineer" unless otherwise indicated.
 6. Approved by Engineer: In no case releases Contractor from responsibility to fulfill requirements of contract documents.
 7. Project Site: Space available to Contractor at location of project, either exclusively or to be shared with separate contractors, for performance of the work.
 8. Furnish: Supply and deliver to project site, ready for unloading, unpacking, assembly, installation and similar subsequent requirements.
 9. Install: Operations at project site including: unloading, unpacking, assembly, erection, placing, anchoring, applying, working to dimension, finishing, curing, protecting, cleaning and similar requirements.
 10. Provide: Furnish and install, complete and ready for intended use.
 11. Remove: Complete removal, loading, transporting, permits, and legal disposal off-site by the Contractor of all designated materials in accordance with local, state and federal regulations, at the Contractor's expense.
 12. Installer: Entity (firm or person) engaged to install work, by Contractor, subcontractor or sub-contractor. Installers are required to be skilled experts in work they are engaged to install.
 13. Specification Text Format: Underscoring facilitates scan reading, no meaning. Imperative language is directed at Contractor, unless otherwise noted.

14. Overlapping/Conflicting Requirements: Most stringent (generally) language written directly into contract documents clearly indicates that a less stringent requirement is acceptable. Refer uncertainties to Engineer for decision before proceeding.
15. Where optional requirements are specified in a parallel manner, option is intended to be Contractor's unless otherwise indicated.
16. Minimum Requirements: Indicated requirements are for a specific minimum acceptable level of quality/quantity, as recognized in the industry. Actual work must comply (within specified tolerances), or may exceed minimums within reasonable limits. Refer uncertainties to Engineer for decision before proceeding.
17. Abbreviations, Plural Words: Abbreviations, where not defined in contract documents, will be interpreted to mean the normal construction industry terminology, determined by recognized grammatical rules, by the Engineer. Plural words will be interpreted as singular and singular words will be interpreted as plural where applicable for context of contract documents.

1.02 PROJECT SITES

The work shall take place at the following four (4) locations:

1. The intersection of Cherry Street and Elm Street near the John F. Kennedy Elementary School;
2. The intersection of Burnham Street and Powder House Boulevard near Tufts University;
3. The intersection of Somerville Avenue and Prospect Street near Union Square; and
4. Broadway in Somerville at the driveway to Clarendon Hills Towers.

1.03 SUMMARY OF WORK

The Work consists of the construction of twelve (12) wheelchair ramps to Massachusetts Architectural Access Board (AAB) Standards (521 CMR 21.00, effective January 27, 2006), hiring a design professional to verify that all AAB requirements have been fulfilled, restriping crosswalks as necessary, and resetting crosswalk signs.

The Work to be done under this Contract consists of provision and payment for all materials, labor, tools, equipment, pumping, water, power, transportation, superintendence, temporary construction of every nature, taxes legally collectable because of the work, and all other services and facilities of every nature whatsoever necessary to execute the work and to complete in every respect and as shown on the drawings or called for in the specifications.

1.04 TIME FOR COMPLETION AND SEQUENCE OF WORK

- A. The work which the Contractor is required to perform under this Contract shall be commenced at the time stipulated by the Owner in the Notice to Proceed.

Substantial Completion shall be by September 1, 2009. The following scope of work will constitute Substantial Completion:

- Excavation and sawcutting;
- curb removal, relocation and resetting;

- installation of concrete curb ramps;
- re-installation of crosswalk signs;
- temporary painting of crosswalks; and
- verification by a design professional that all AAB requirements as set forth in 521 CMR 21.00 have been fulfilled.

Final Completion shall be by November 15, 2009.

The Contractor shall employ sufficient equipment and workmen to complete the installation as expeditiously as possible as directed by the Project Manager. If, in the opinion of the Owner the progress of the work of the Contractor does not, at any time, clearly demonstrate that completion of the installation will meet with the approval of the Owner, the Owner reserves the right to require the Contractor to employ such additional equipment and workmen as required, and to work overtime hours to assure completion dates, all without additional cost to the Owner.

- B. No night, Saturday, Sunday or holiday work requiring the presence of City Staff will be permitted except in case of an emergency, and then only to such an extent as is absolutely necessary, with the approval of the Project Manager.

1.05 LIQUIDATED DAMAGES

- A. As actual damages for any completion of the work which the Contractor is required to perform under this Contract are impossible of determination, the Contractor and his Sureties shall be liable for and shall pay to the Owner the sum of **two hundred and fifty dollars (\$250)** as fixed and agreed, as liquidated damages for each calendar day of delay from the date stipulated for completion, or as modified in accordance with the General and Special Conditions.

1.06 OWNER'S TAX EXEMPTION

- A. The Awarding Authority, as a department of a corporate municipality in the Commonwealth is exempt from the taxes listed below. Contractor shall notify all suppliers of the following current certificates:
1. Federal Excise Taxes as applied to articles taxable under Chapter 32 of the Internal Revenue Code of 1954, as amended, City of Somerville Excise Tax Exemption Certificate is not required.
 2. From Sales and Use Tax imposed by the Commonwealth of Massachusetts under Chapter 14, Acts of 1966, the City of Somerville has been assigned exemption certificate No. 046-001-414 with respect to leases, rental, or purchases of "Tangible Personal Property".

1.07 RESPONSIBILITIES OF CONTRACTOR

- A. Except as otherwise specifically stated in the Contract Documents and Technical Specification, the Contractor shall provide and pay for all materials, tools, labor, equipment, water, light, heat, power, transportation, superintendence, temporary construction of every nature, charges, levies, fee or other expenses, permits and back charges and all other services and facilities of every nature whatsoever necessary for the performance of the Contract and to deliver all improvements embraced in this Contract for Site Preparation completed in every respect within the specified time.

- B. Unless otherwise specified herein all materials, workmanship, methods, and practices shall conform to the current Standards of the appropriate Department of the City of Somerville.
- C. The Contractor shall be responsible for detailed layout, all stake-out and grade control, and, if necessary, shall employ a registered Professional Engineer or a registered Land Surveyor for this purpose.
- D. The Contractor shall verify dimensions and utility locations shown on the plans and if any inconsistencies or discrepancies should be noted on the Drawings, or between the Drawings and actual field conditions, or between the Drawings and the Specifications he shall immediately notify the Project Manager. The Contractor will be held responsible for any errors resulting from his failure to exercise the aforementioned precaution. Such information shall be marked on copies of the drawings and submitted to the Project Manager.
- E. The Contractor shall employ a suitable superintendent and foremen to represent him at all the several parts of the work and they shall be present at all times while the work entrusted to them is in progress and shall be informed thoroughly regarding it. The foreman, mechanics, and others employed by the Contractor shall be skilled and experienced in the particular work which is given them to do.
- F. As soon as the Contract is executed, the Contractor shall order materials, submit construction schedules as hereinafter specified, and otherwise anticipate the Notice to Proceed. When the Owner gives the Notice to Proceed, the work of construction shall begin at the time stipulated therein and shall be completed within the Time for Completion specified.
- G. It is the Contractor's responsibility to make his own investigation and related assumptions and to satisfy himself as to subsurface conditions and to ensure that these are reflected in the general and unit prices bid.
- H. In order to verify locations of utilities and varying field conditions, exploratory excavations have been incorporated into the plans for this contract, the cost of which are to be included in the contract price bid.
- I. The Contractor's attention is called to the necessity of obtaining permits.
 - 1. All persons desiring to use such water from a hydrant or any other appurtenance shall apply for a "Hydrant Permit" at the city of Somerville.

1.08 COMMUNICATIONS

- A. All notices, demands, requests, instructions, approvals, proposals and claims must be in writing and must be presented to the Project Manager.
- B. Any notice to or demand upon the Contractor shall be considered sufficiently given if delivered at the office or field office of the Contractor stated on the signature page of the Agreement (or at such other office as the Contractor may from time to time designate in writing to the Owner), or if deposited in the United States mail in a sealed, postage-prepaid envelope, or delivered with charges prepaid to any telegraph company for transmission, in each case addressed to such office.
- C. All papers required to be delivered to the Owner shall, unless otherwise specified in writing to the Contractor, be delivered to the Office of Strategic Planning and Community Development, City of Somerville, 93 Highland Avenue, and any notice to or demand upon

the Owner shall be sufficiently given is so delivered, or if deposited in the United States mail in a sealed, postage-prepaid envelope, or delivered with charges prepaid to any telegraph company for transmission to said Owner at such address, or to such other representatives of the Owner or to such other address as the Owner may subsequently specify in writing to the Contractor for such purpose.

- D. Any such notice shall be deemed to have been given as of the time of actual delivery or (in case of mailing) when the same should have been received in due course of post, or in the case of telegrams, at the time of actual receipt, as the case may be.

1.09 LAYOUT WORK

- A. The City has identified sample templates for each location that the Contractor will use to develop lay-outs in the field. The Contractor is hereby required to verify the proposed template can be implemented by referencing fixed elements such as existing exterior walls and other points which serve as reference points of layout work. The Contractor shall, upon start-up of his work carefully verify the feasibility of the selected sample template. If the sample template is not feasible to implement, the Contractor shall propose an alternative template that meets ADA requirements. The Contractor shall report to the Project Manager any conditions which are found to be in conflict with Contract Documents. The Project Manager will advance decisions as to necessary adjustment to dimensions and will promptly disseminate revised drawings or corrections which shall serve as the basis for advancement of the work.
- B. Lines and grade work in accordance with Drawings and Specifications shall be laid out by a registered Civil Engineer or Surveyor employed by the Contractor. The Contractor shall maintain all established bounds and bench marks and replace, as directed, any which may be disturbed or destroyed. The General Contractor shall pay all costs of the services of Civil Engineer or Surveyor.
- C. The Contractor shall check all Drawings and templates and shall report any errors in them to the Engineer, who will make or approve the necessary corrections. Any discrepancies not reported prior to construction shall not be the basis for claims for extra compensation.

1.10 PARTIAL USE OF SITE IMPROVEMENTS

- A. The Owner, at its election, may give notice to the Contractor and place in use those sections of the improvements which have been completed, inspected and can be accepted as complying with the Technical Specifications and accepted as complying with the Technical Specifications and if, in its opinion, each such section is reasonably safe, fit and convenient for the use and accommodation for which it was intended, provided:
 - 1. The use of such sections of the improvements shall in no way impeded the completion of the remainder of the work by the Contractor.
 - 2. The Contractor shall not be responsible for any damages or maintenance costs due directly to the use of such sections.
 - 3. The use of such sections shall in no way relieve the Contractor of his liability due to having used defective materials or due to poor workmanship.
- 5. The period of guarantee stipulated in the specifications shall not begin to run until the date of the final acceptance of all work which the Contractor is required to construct under this Contract.

1.11 CONTRACT DOCUMENTS AND DRAWINGS

Not Applicable

1.12 HISTORICAL, ARCHAEOLOGICAL OR ANTIQUE ITEMS

- A. The Contractor during his excavation, site clearance and other operations may come upon, uncover or otherwise discover items of historical, archaeological or antique nature. The Contractor shall immediately stop operations at the particular site of the discovery and notify the Owner so that a proper evaluation may be made of its importance. The Owner shall arrange for the evaluation in a manner that shall not unduly interfere with the Contractor's operations.
- B. All such items, if designated by competent authority to be historical, archaeological or antique nature shall not become the property of the Contractor but shall be placed in the custody of the Owner for disposition.
- C. The Contractor shall be required to remove with care or to assist in the removal of any such item or items and to transport the same to a place of safe keeping within the City of Somerville. The costs for so assisting shall be reimbursed to the Contractor if approved by the Project Manager.

1.13 FIRE PROTECTION AND PREVENTION

- A. The Contractor shall keep the site free of rubbish and construction debris at all times.
 - 1. He shall provide sufficient metal barrels or dumpsters into which all refuse and garbage shall be deposited. All containers shall have tight fitting covers. These shall be secured overnight or removed daily.
 - 2. At the end of each work week, the Contractor shall thoroughly clean premises of rubbish and debris of any nature, and remove such from the premises.

1.14 RUBBISH REMOVAL

- A. The Contractor and each Subcontractor shall remove all rubbish, waste, tools, equipment, and appurtenances caused by and used in the execution of his work; but this shall in no way be construed to relieve the Contractor of his primary responsibility for maintaining the site clean and free of debris, leaving all work in a clean condition.

1.15 TEMPORARY FACILITIES

- A. General Provisions
 - 1. Furnish all labor, materials, and services to fulfill the requirements for temporary facilities, at no additional cost to the Owner, and comply with all requirements set forth herein, except where said requirements are in conflict with Federal, State, or Local laws, rules, and regulations, in which case(s) the applicable Federal, State, or Local requirements shall govern.
